THE OPPORTUNITY

Gifting is relationship-building — make it memorable and meaningful

Corporate gifts are a touchpoint with your people and partners. The right gift signals care, thoughtfulness and modern values — the wrong one is forgotten by lunchtime. Wellness gifting is where thoughtful brands are moving.

Inclusive by default

Caffeine-free herbal teas suit everyone — no alcohol, no allergen anxiety, no age limits.

A wellness signal

Gifting health says you value wellbeing — for employees, clients and partners alike.

Memorable unboxing

A colour-changing Blue Tea and a ruby Red Tea create a moment people talk about.

Why Dishu Masala

Named after our daughter, Dishu. We started with a simple idea — clean, honest food and wellness teas, made with the care you'd give your own family. No preservatives, no shortcuts, just warmth, flavour and freshness.

Premium Herbal Red Tea

A ruby infusion of hibiscus and rose with holy basil and ginger — tangy, floral and naturally calming.

- ✓ Hibiscus, rose, tulsi, ginger
- ✓ Caffeine-free • antioxidant-rich
- ✓ Soothing hot or refreshing iced
