SUBJECT: Complaint against the above noted respondent/alleged and request with folded hands to register FIR against the above noted respondent/alleged for committed offences by him against complainant i.e. for unauthorisedly accessing and misusing the personal social media account of the complainant, sending vulgar, obscene and objectionable messages and images to various women from the account of the complainant, defaming, humiliating and causing mental harassment and reputational damage to the complainant and for committing other acts as stated herein below.

Respected Sir, I, Jatin Pasricha, Owner/Proprietor of AITOXR, hereinafter referred to as Complainant, wants to submit as under: -

1. That Guddu Kumar was an employee in AITOXR, the company owned/operated by the complainant. That during the period of his employment, the accused person was aware of certain information relating to the company and the complainant, however, the accused person was never authorised or permitted to access, operate or misuse the personal social media account of the complainant.
2. That the accused person has violated the terms and conditions of his employment/contract with the company on multiple occasions and despite the same, the complainant had not taken any unnecessary action against the accused person with an intention to avoid any further dispute.
3. That thereafter, the accused person entered the company Guest House without any prior intimation, permission or authorisation and upon the said incident coming to the knowledge of the complainant, appropriate complaint/FIR was lodged against the accused person in respect of the said incident.
4. That thereafter, the complainant came to know that his personal social media account, including his Instagram account, had been accessed and used without his knowledge, consent and authorisation.
5. That from dated 31st August 2026 till 2nd September 2026, multiple messages were sent from the social media account of the complainant to various women without the knowledge or consent of the complainant.
6. That the said messages were vulgar, obscene, objectionable and inappropriate in nature and the same were sent in such a manner that the recipients were made to believe that the complainant himself was sending such messages to them from his personal account.
7. That the complainant states that he had neither sent the said messages nor authorised any person to send the same from his account and the said acts have caused serious embarrassment, humiliation, mental agony and damage to the reputation and character of the complainant.

11. That the aforesaid acts have seriously affected the personal and professional reputation of the complainant, as the recipients of the communications were under the impression that the complainant himself had sent the vulgar and objectionable messages and images.
12. That the complainant has strong reason to suspect the involvement of Guddu Kumar in the aforesaid acts in view of his previous employment with AITOXR, his knowledge of the complainant and the circumstances stated hereinabove.
13. That the conduct of the accused person appears to have been committed with the intention of maligning the character and reputation of the complainant and to create a false impression regarding the character and conduct of the complainant before various women known to him.
14. That the complainant further apprehends that the aforesaid acts were committed deliberately with the intention to harass, humiliate, defame and mentally torture the complainant and to cause irreparable damage to his personal as well as professional reputation.
15. That the complainant is ready and willing to provide the screenshots received from the recipients, details of the persons who contacted the complainant, relevant account information and all other available material relating to the aforesaid incident to the investigating agency.
16. That the complainant also requests that the relevant login history, IP addresses, device information, account access records and other available digital evidence relating to the Instagram/social media account of the complainant may kindly be obtained and examined in accordance with law.

That the complainant further submits that the earlier incident relating to the unauthorised entry of the accused person into the company Guest House and the complaint/FIR lodged in respect thereof may also kindly be taken into consideration while conducting the investigation into the present matter.

19. That the complainant apprehends that if appropriate action is not taken against the accused person, the accused may further misuse the personal information, social media accounts and identity of the complainant and may continue to cause harassment and damage to the reputation of the complainant.
